CDI Presents

# Overhead Door Technician Level 1

CDI's Overhead Door Technician – Level 1 is now a recognized trade. By enrolling in the program, you will learn necessary skills to keep your workplace safe and your business prosperous. In addition, you will gain knowledge about construction and the tools you'll use, how to install, service and repair overhead doors, and how to install, troubleshoot, and repair electric garage door operators. The manual for this course contains detailed information, instructions, samples, and explanatory pictures to assist you in your career as an Overhead Door Technician.
